K2 Extreme's Privacy Statement

K2 Extreme rigorously adheres to the guidelines set out by the National Privacy Act 1988 in order that your privacy is protected.

The following statement is a guide for you regarding why we collect such information, how this information is used and disclosed and the choices you have concerning our use of, and your ability to correct this information.

Purpose of collecting information: K2 Extreme collects your personal information for the primary purpose of:

- Issuing memberships
- Making it easier for you to use our services such as bookings, trip schedules etc.
- Your safety and the safety of the group during activities also as a means to facilitate any medical treatment if necessary

Disclosure of information: The personal information that we collect from you will not be disclosed other than for the primary purpose unless:

- The individual concerned has consented to the disclosure
- The use or disclosure is necessary to lessen or prevent a serious or imminent threat to an individual's life, health or safety
- The disclosure is required or authorised by law

Data Quality: The personal information collected is to be accurate, complete and up to date.

Data Security: Reasonable steps will be taken to protect your personal information from:

- Misuse and loss
- Unauthorised access, modification or disclosure

Information Access: All personal information we collect from you can be accessed on request in a manner suitable to the individual's reasonable needs. However ID is necessary before any information is to be disclosed.

Complaints: If you have a complaint regarding the way in which K2 Extreme handles and administers your personal details please address K2 Extreme in writing:
